

## 2. Spreadsheets

In the diagram below, a spreadsheet has been created to show the stock of the Disney Novelty Shop.

	A	B	C	D	E
1	Disney Novelty Shop				
2	Item	Number in Stock	Price	Total Value	
3	Mickey Mouse Ears	17	1.450		
4	Donald Duck Hat	40	2.350		
5	Goofy Pencil	5	0.250		
6	Cuddly Cheshire Cat	9	3.750		
7	Total				
8					
9					

- a. Write down the cell reference of a cell that contains numeric data

\_\_\_\_\_ [1]

- b. Suggest a formula that would be written in cell D3

\_\_\_\_\_ [1]

- c. Describe how you would replicate this formula into cells D4 to D6
